# Common features for all gvibe products

- 01 Body-safe materials:** All Gvibe products are made from high-quality, body-safe materials, such as medical-grade silicone and ABS plastic, ensuring a comfortable and safe experience.
- 02 Travel lock:** Gvibe products come with a travel lock feature that prevents accidental activation during transportation, giving you peace of mind on the go.
- 03 Quiet operation:** Gvibe products feature quiet motors that won't disturb your peace or privacy, allowing you to enjoy your toy discreetly.
- 04 Ergonomic design:** Gvibe products are designed with user comfort in mind, with ergonomic shapes and curves that fit the body perfectly for maximum pleasure.
- 05 Waterproof:** Many Gvibe products are waterproof, making them easy to clean and perfect for use in the shower or bathtub.
- 06 Multiple vibration modes:** Gvibe products offer a variety of vibration modes and intensities, allowing you to customize your experience and find the perfect setting for your needs.

# The Classics

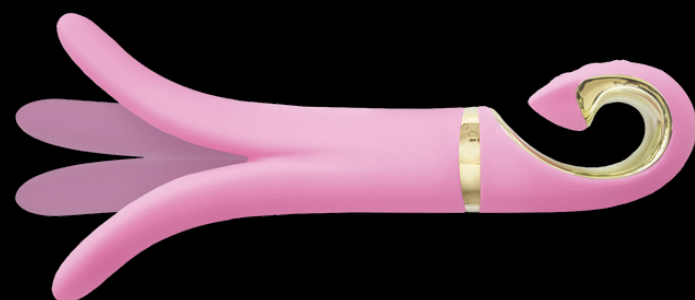

---

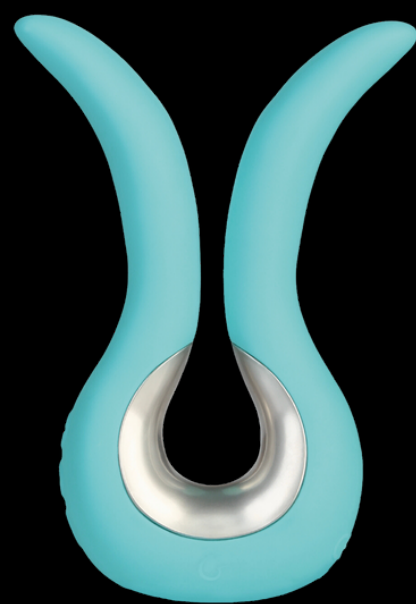

## Gvibe3

Gvibe3 is a unique and versatile vibrator that's designed to stimulate multiple erogenous zones simultaneously. Its flexible, dual-ended design allows you to explore a wide range of sensations, from targeted clitoral stimulation to deep, satisfying G-spot massage.

## Gvibe Mini

A high-quality, versatile, and compact vibrator that offers intense pleasure to its users. This vibrator is designed with a unique shape that allows for both internal and external stimulation, making it suitable for people of all genders.

## Grabbit

With its ergonomic shape and powerful vibrations, Grabbit provides intense stimulation for both internal and external pleasure zones. Its unique "bunny ears" and curved shaft work together to stimulate the clitoris and G-spot simultaneously, while its easy-to-use interface allows for customizable settings to suit your preferences.

## **Gjack2**

A highly realistic and pleasurable toy designed for both men and women. This innovative product features a lifelike texture and anatomical shape, providing a truly immersive experience that is sure to satisfy even the most discerning of users.

## **Gjay**

G-Jay is a vaginal vibrator and g-spot sex toy made of Gvibe's Revolutionary Bioskin™ material. It's hard to believe how realistic this toy's material feels. It is the ultimate pleasure toy for both men and women, designed to provide a realistic and thrilling experience.

## **Gcandy**

Gcandy is a deliciously sweet and satisfying adult pleasure toy that is perfect for anyone looking to add a little bit of fun and excitement to their bedroom routine. With its unique candy-like shape and smooth, flexible silicone material, this toy is designed to provide intense stimulation and pleasure to all of erogenous zones.

## **Greal**

Crafted with the highest quality materials, this dildo boasts a lifelike texture that feels just like skin, giving you an incredibly realistic experience. The Greal2's unique design features a curvy shape and a pronounced head that's perfect for G-spot and prostate stimulation, making it an excellent choice for both solo play and partner fun.

# Gplug XS, Gplug Twist, Gplug Small

Our plugs collections is dedicated to individuals and couples who are looking to enhance their sexual experiences and explore new sensations. The product is especially appealing to those who are interested in anal play but may be hesitant or unsure where to start.

- 01** We only use premium, body-safe materials in the manufacturing process. This ensures a safe and healthy experience, with no harmful chemicals or toxins.
- 02** Features a cute and stylish design, making it a fashionable addition to intimate toy collection.
- 03** Plugs comes in a variety of sizes and shapes, making it easy to find the perfect fit for body. The collection includes both beginner and advanced plugs, so users can start small and work your way up to more intense experiences.

## GPop2

This product is designed to be inclusive and accommodating to all genders and sexual orientations. It is particularly well-suited for individuals who are looking for a versatile sex toy that can be used for both external and internal stimulation.

- 01** The flexible and ergonomic shape of the toy ensures that it fits perfectly to your body, delivering maximum pleasure with every use.
- 02** Suitable for both men and women. Whether used for solo play or with a partner, Gpop2 is designed to stimulate any erogenous area.
- 03** Powerful motor with 6 vibration modes, flexible design, and gender-neutral appeal.

## Gcat

The Gcat is dedicated to women who enjoy powerful clitoral stimulation. It is especially well-suited for women who struggle to reach orgasm through traditional means, such as manual or penetrative stimulation. The Gcat can be used for nipple stimulation and can be enjoyed by individuals of all genders and sexual orientations.

- 01** The Gcat uses cutting-edge suction technology to provide intense clitoral stimulation that will help users reaching new heights of pleasure.
- 02** Can be used for clitoral stimulation, but it's also perfect for nipple play, making it a versatile and exciting addition to solo and couple play.
- 03** The Gcat is specifically designed to provide maximum pleasure. The lowest suction mode is perfect for a smooth and gentle landing, allowing to enjoy longer and more intense orgasms

# The Minins Collection

---

## Gcandy Mini

Gcandy Mini is a great choice for individuals or couples looking for a powerful and versatile rabbit vibrator that is small, elegant, and easy to use.

- 01** It has a unique design that features a curved head with flexible arm that provide intense stimulation to the clitoris and surrounding areas.
- 02** The vibrator is made of medical-grade silicone material that is soft, smooth, and body-safe.
- 03** It has six vibration modes and five intensity levels, allowing for a variety of sensations and customization.

## Grabbit Mini

A versatile and discreet vibrator designed for individuals who enjoy exploring their bodies and experiencing pleasure. It is specifically designed for people who prefer smaller, more compact sex toys that can easily be taken on the go.

- 01** Excellent choice for beginners for several reasons. Its small size and discreet design make it easy to handle and use, even for those who are new to the world of sex toys.
- 02** Grabbit Mini offers multiple vibration modes, allowing you to customize your experience and find the perfect level of stimulation.
- 03** The unique shape of Grabbit Mini is designed to fit comfortably in the hand and provide precise stimulation to the clitoris or other erogenous zones.

## Gjack Mini

We dedicate the Gjack Mini to women who are looking for a high-quality, reliable, and effective sex toy that can help them explore their sexuality and enhance their pleasure. It is also a great option for people who are new to using vibrators and are looking for a gentle, non-intimidating introduction to this type of sexual pleasure.

- 01** The vibrator has a curved, ergonomic shape that is designed to provide maximum pleasure and comfort.
- 02** The Gjack Mini offers six different vibration modes, including steady vibrations and pulsating patterns, allowing you to customize your experience.
- 03** The Gjack Mini is made from body-safe, medical-grade silicone, which is hypoallergenic, phthalate-free, and non-porous, making it easy to clean and maintain.

## Gjay Mini

Gjay Mini is perfect for anyone who loves to explore their sexuality and wants to experience mind-blowing orgasms anytime and anywhere. This toy is a great addition to any couple's bedroom, providing endless hours of pleasure and intimacy. A unique shape allows for comfortable and pleasurable use for both partners.

- 01** The Gjay Mini features a dual motor system that allows for both internal and external stimulation, providing users with a full range of sensations.
- 02** A unique ergonomic shape that is designed to fit perfectly in the hand, allowing for easy and comfortable use. The curved shape is perfect for G-spot stimulation.
- 03** It's fully waterproof, making it easy to clean and ideal for use in the shower or bath. This feature also allows for more creative play, as users can explore new sensations in a variety of settings.

## Great Mini

Great Mini is the perfect toy for anyone looking to spice up their solo play or couples play. This versatile toy is perfect for any gender and is designed to provide pleasure in all the right places.

- 01** Gvibe's Revolutionary Bioskin™ material feels and responds like flesh. It's almost impossible to believe how realistic this sex toy's material really is.
- 02** With a curved design that's perfect for G-spot or prostate stimulation, this toy is sure to hit all the right spots. It's great for beginners or anyone who wants a more compact toy.
- 03** Available in a range of fun and playful colors, this toy is a statement piece that's sure to turn heads.

# Pleasure and Wellness

---

## Gesha Balls3 & Geisha Balls Mini

Geisha Balls are the perfect toy for anyone looking to explore and enhance their sexual pleasure. This product is for women of all ages who are interested in improving their sexual wellness and exploring new forms of pleasure. This includes women who have recently given birth or are experiencing pelvic floor weakness due to age or other factors.

- 01** Designed to provide a pleasurable experience for women by enhancing sexual sensations and increasing vaginal muscle strength.
- 02** Both versions include two silicon straps. Mini version comes with 4 balls in different weights.
- 03** With their cute and colorful designs, they can be a fun and playful addition to any adult toy collection. The unique and stylish design of Geisha Balls sets them apart from other products on the market

# Gballs App

Gballs Apps is dedicated to women who have recently given birth, women who are experiencing bladder leakage, and women who want to improve their sexual pleasure. Gballs App is also perfect for women who lead busy lifestyles and may not have the time or energy to visit a physical therapist or gym. It can be used anytime, anywhere and the App provides personalized exercise programs and progress tracking.

- 01** Range of customizable vibration patterns and intensities, allowing users to tailor their experience to their specific needs and desires.
- 02** With the app, users can control the Gballs from their smartphone, providing a convenient and discreet way to achieve pleasure.
- 03** Gballs App also provides wellness tracking features. This includes a pelvic floor exercise program designed to improve pelvic muscle strength and overall vaginal health.

## Gcup

Product dedicated to all the eco-conscious women out there, who wants by using our product, contribute to the reduction of waste caused by traditional menstrual products. This cup is perfect for women who enjoy various physical activities, as provides long-lasting protection and it's body-safe!

- 01** Innovative design with a unique shape that perfectly fits the anatomy of the female body, ensuring maximum comfort and efficiency.
- 02** Made of high-quality, medical-grade silicone that is safe, hypoallergenic, and eco-friendly, making it the perfect choice for women who care about their health and the environment..
- 03** Easy to insert and remove, thanks to the flexible, soft rim that molds to the shape of the body and the sturdy stem that makes it easy to grip.
