

A woman with long, wavy blonde hair is posing outdoors. She is wearing a white, short-sleeved, button-down shirt with a small floral pattern, which is open at the waist, and matching white shorts with the same pattern. Her right arm is raised, and her left hand is in her pocket. The background features a large window and green foliage.

SPRING SUMMER 2026

LOOKBOOK

TIMELESS WHISPER

*Clean lines and subtle chic,
with pieces that speak softly
through every season.*

Aruelle's Spring/Summer 2026 collection, Timeless Whisper: Riviera Stories, invites a slower, more sensual rhythm of style - where femininity is thoughtful, grounded, and deeply felt. Told through texture, silhouette, and atmosphere, this season captures the mood of slow summer days, sun-warmed skin, and garments worn with intention. This collection is made for women who feel most confident when they feel most like themselves - wrapped in softness, grounded in ease, and gently reconnected to their senses. It's not about dressing to be seen, but to be felt.

Two Stories, One Spirit

Pajamas: The Romance of Rest. In a palette of petal pinks, chalky neutrals, sky-washed blues, soft checks, and nature-inspired greens, the pajama collection is an ode to comfort as a kind of confidence. Fabrics are selected for their softness and breathability - cotton poplin, viscose, and pointelle knits - each piece designed to move with her body, not against it. Silhouettes offer duality: oversized shapes for ease and lightness, slim knits for closeness and comfort. Every piece is made to be lived in - worn late into the morning, throughout her day, or as the first layer of evening. This is romance at its most personal: quiet, tactile, and wholly hers.

Resortwear: Clean Lines, Unspoken Confidence. Minimal yet emotive, the resort capsule balances 90s-inspired minimalism with a modern ease. Cuts shift between perfectly tailored and intentionally oversized, offering a sense of freedom in every form. Cotton, linen, tencel and natural textures echo the mood of the season: light, grounded,

sun-baked. These are garments made for movement - between land and water, indoors and out, solitude and story. Designed for women who know that comfort and confidence aren't opposites - they're intertwined.

Soft Power. Subtle Chic. Summer in Layers.

SS26 doesn't speak loudly - but it speaks clearly. A season defined by soft contrasts: nostalgic yet current, romantic yet grounded, effortless yet intentional. Pieces that carry feeling, trace a mood, and let women move through summer with softness and certainty.

Timeless Whisper: Riviera Stories isn't about dressing up. It's about dressing in.
